

# W.Lav Pro (Black)

- Miniature Size 4\*17mm
- IP57 Waterproof rating
- 5.9' (1.8m) cable length allows ease of connection to transmitters at the ankle
- Microdot Adapter for flexible connection to most Wireless Transmitters in the market

The black **Deity Microphones W.Lav Pro** is a miniature IP57 waterproof omnidirectional lavalier microphone with a microdot connector designed to deliver crisp, natural speech reproduction for film and video productions, even in challenging outdoor conditions. It's 5.9' attached cable is terminated with a microdot connector for easy integration with a Microdot-equipped mic transmitter or to be used with microdot adapters. Microdot adapters from Deity Microphones allow you to adapt the W.Lav Pro to Sennheiser Locking 3.5mm, Sony UWP 3.5mm, Lectrosonics TA5F, Shure TA4F and Deity Connect. *(Note: Microdot adapters are sold separately)*

The W.Lav Pro's pre-polarized condenser capsule offers an omnidirectional polar pattern with a wider frequency response and higher SPL handling than the W.Lav mic. The included foam windscreens allow you to overcome light wind noise and plosives. Being the same size as industry-standard lavalier microphones, the W.Lav Pro is compatible with common accessories from LMC, Ursa Straps, Bubblebee Industries, and more. And with new digital wireless systems, RF interference is an issue that will affect lavaliers. We added extra shielding inside the cable of the W.Lav Pro to help protect against digitally modulated RF signals that could cause you issues on your next shoot.

## **Specs:**

Color - Black  
Sound Field- Mono  
Frequency Response - 20Hz – 20KHz  
Polar Pattern - Pre-Polarized Condenser  
Capsule Type - Omni  
Sensitivity -40dB  
Maximum SPL - 130dB SPL \*  
Dynamic Range - 110dB typical  
Weatherproof Standard - IP57  
Mic Head Size - 4mm\*17mm  
Cable Length - 1.8m  
Connect Type - Microdot

## **In the box:**

1x W.Lav Pro Lavalier  
2x Foam Windscreen  
5x Rycote Stickies  
1x Rycote Undercover  
1x Roll Medical Tape  
1x Carrying Pouch  
1yr Deity Microphones Warranty

## **Product Packaging Specs:**

Product size (single package): 16\*12.7\*5.2cm  
Net weight of single product: 23g  
Gross weight of single product: 264g  
Quantity per carton: 24pcs  
Carton size (outer box): 42.5\*37.5\*27cm  
Weight per carton: 7.04Kg

## **Compatible with many third-party**

### **accessories:**

LMC C-Mount Universal Lavalier Mount  
LMC Vampire Clip for Sanken  
Hide-A-Mic B\_Flex for Sanken  
Ursa MiniMount COS11  
Ursa Foamies  
VOT Concealer COS11  
Bubblebee Industries Concealer COS11  
Abetek Button-Down Mount (4mm)

\*Some microdot adapters may allow for higher SPL amounts
